German Shepherd Pack Attacks, Kills Two Boys

LYNCHBURG, Va. (AP) — A pack of German shepherd dogs attacked and killed two small boys Sunday while their father fought futilely to save them by clubbing the animals with a rifle.

The attack, near a creek behind the victims' home in nearby Madison Heights, included two neighborhood dogs the boys apparently had played with before.

The victims were gene Anthony Goodman, 5, and Kenneth Goodman, 4, children of Mr. and Mrs. Eugene H. Goodman of Madison Heights.

Goodman and his wife are in

Lynchburg General Hospital where they are being treated for shock.

Amherst County Sheriff-elect Mahlon H. Bryant said Goodman, sobbing, told him that when he reached the snarling pack he beat at the frenzied animals with a rake, his shoes and anything else he could find to turn them away from his bloodied sons.

Two of the dogs were impounded by local authorities. A third could not be caught and was shot to death. Police were looking for a fourth dog but said there may have been only three in the attack.

Bryant said Mrs. Goodman was inside her home at about 3:30 p.m. with her other child, Cindy, 1, when she heard screams from the creek. She called to her husband then ran to a neighbor's house for help.

"I was lying in bed when she knocked on the door," said Morton P. Scott. "My wife let her in and she was crying said some dogs had her boys down by the creek."

"My daughter's a nurse and helped her back up to the house. I ran on over the hill and met Goodman coming up the hill all dazed. He was carrying one poor bloody little boy and he said the dogs had the other boy down by the creek."

"I went down there and saw some dogs but I never did find the other boy," Scott said.

Rescue squadmen found the body later, Scott said, about 300 yards from the scene of the attack.

Dr. Jack Faulconer, Amherst County medical examiner, said the eldest boy died of loss of blood from severe lacerations all over his body.

Bryant said the dogs that were impounded belong to Earnest Floyd, a Lynchburg man who owns property adjoining the Goodman land. The scene of the attack was approximately on the property line.

He said Floyd usually kept the dogs penned up but had let them run loose Sunday as they had occasionally in the past. Floyd also had given the Goodman children permission to play on his land and to play with the dogs, which they had many times before, Bryant said.

Floyd's dogs are in the custody of the Amherst County dog warden, Bryant says it will be up to the commonwealth's attorney and the courts to decide their fate.

A TANGLED MASS of autos, trucks and bridge structure is all that remains of the Ohio end of the Ft. Pleasant, W. Va.-Kanauga, O. bridge after it dropped into the Ohio River. 41 persons are reported missing. (AP Wirephoto.)

Death Toll Hits 16 In Bridge Disaster

POINT PLEASANT, W.Va. (AP) — Working in a light rain, a water-borne crane probing the Ohio River's depths latched on to a crumpled car early today and brought up three more bodies in the grim search for victims of Friday's bridge collapse.

They brought to 16 the number of known dead. There were 41 persons reported missing.

The car was one of scores of vehicles that tumbled like play-toys off the bridge when the suspension span collapsed into the murky river.

The bodies of two adults and a child pried out of the car's twisted metal remains were taken to a temporary morgue in a state armory.

They were not immediately identified.

Sitting on a barge in the river, the crane also pulled up one huge chunk of the bridge superstructure this morning. It was placed on the barge. It was believed that superstructure pieces were being hauled up in an effort to reach vehicles trapped under the debris.

The 1,500-foot-wide section of the river between Ohio and West Virginia yielded eight bodies from four cars and a truck when the derricks pulled them out Sunday. The other five bodies were recovered Friday, a

few hours after the suspension bridge collapsed under the weight of rush hour and Christmas shoppers' traffic.

The big 40-year-old bridge, a major link between the two states, crumpled into the Ohio River 80 feet below just after 5 p.m. Friday. The center span of the bridge disappeared, leaving only the approach ramps on both sides and concrete piers jutting above the river's surface.

Max Ray, a commercial deep sea diver from New Orleans, said that "you've got to worry about metal falling on you."

Another problem stemming from the disaster was that river traffic along the Ohio was choked and backed up for miles. Col. William D. Falck of the Army engineers estimated that 40,000 tons of cargo was stalled because the river was closed above and below Point Pleasant.

The cars pulled from the wa-

ter Sunday reflected the tremendous impact which existed when the span collapsed. All were torn and smashed. The engine dropped from one as it was lifted. The top of another, which held two bodies, was peeled off.

U.S. Rep. Ken Hechler, D-W.Va., who represents the area, toured the site for a second time late Sunday and said the reason for the bridge's collapse "may never be known."

The congressman is making frequent trips here to speed up the federal aid process and act as a semi-official liaison with the White House.

The question of indemnity also arose. West Virginia owns the Ohio River to the Ohio shoreline and probes were being made to determine responsibility.

West Virginia State Atty. Gen. C. Donald Robertson said the state may be facing damage claims of several million dollars.

Eavesdropping Barred By Court

WASHINGTON (AP) — The Supreme Court today decreed safeguards for private telephone conversations from government eavesdropping.

Specifically excluding national security cases, the court said in a 7-1 opinion that unless electronic surveillance is carried out by officials in a limited, judicially approved way it violates the individual's rights under the 4th Amendment.

Significantly, Justice Potter Stewart said in the decision, such is the case whether or not the officials physically trespass.

With the ruling, the high court overturned the conviction of Charles Katz, a Los Angeles handicapper, whose conversations from two public telephone booths were recorded by federal agents.

The decision was important in two other regards.

In the first place, it said the protection of a person's general right to privacy, which Stewart defined as "his right to be let alone by other people," is, like the protection of a citizen's property and his life, left largely to the law of individual states.

Secondly, it said the 4th Amendment's protection pertains to the person and not a given place or area.

Explaining, Stewart wrote: "What a person knowingly exposes to the public, even in his own home or office is not a subject of 4th Amendment protection."

"But what he seeks to pre-

serve as private, even in an area accessible to the public, may be constitutionally protected."

The federal agents had taped a recorder and two microphones to the top of two public phone booths Katz used on Sunset Blvd., in February 1965 to phone betting information to Boston.

Later the agents arrested him. Katz was convicted of illegal interstate transmission of bets and wagers and fined \$300.

Prime Minister Drowns

Crisis Threatens Australia

MELBOURNE, Australia — (AP) — The disappearance of Prime Minister Harold E. Holt while swimming in the surf threatens Australia with political crisis and possibly the break-up of the coalition that has governed the country since 1949.

There was almost no hope that Holt could have survived the rip-tides that swallowed him up Sunday while he swam off Portsea, 37 miles south of Melbourne.

Bad weather forced suspension of the massive sea and air search today. The tides off Portsea have claimed three other swimmers in the last 10 years without yielding their bodies.

Deputy Prime Minister John McEwen, the leader of the Country party, took over the government helm until Holt's liberal party, the larger member of the coalition, elects a new party leader and prime minister.

Federal Treasurer William McMahon, the deputy party leader, was in line to succeed Holt. But observers in Canberra believed his election would

Levin Promises Comeback In '68

EAST LANSING (AP) — State Sen. Sander M. Levin is Michigan's new Democratic state chairman today — elected unanimously by the party's State Central Committee to succeed Zolton A. Ferency.

After his election Sunday, Levin promised the 84-member committee and more than 100 onlookers, "We are going to debate and develop this party in 1968."

"If there are differences in this party, we're going to talk about it," declared the 36-year-old Berkley attorney and second-term senator, seen by party leaders as a possible peace-maker between dissenting party factions.

Levin met only token opposition in his bid to replace Ferency, who announced his resignation last month amid a party furor over his refusal to support President Johnson's renomination and charges that the national party power structure was trying to stifle debate on national issues.

Levin was opposed by former State Rep. Floyd Mattheussen of Benton Harbor and United Auto Workers Local 741 President Robert Craig of Flint.

Following his nomination, Craig withdrew in favor of Levin, who received all but three votes on the first ballot.

Mattheussen, who had abstained, then cast his vote for Levin and urged his two supporters to do likewise to make it a unanimous decision for Levin.

Budget Adopted

The committee also approved a \$289.112 budget for 1968.

The budget compares with a \$1.6 million budget approved earlier this year by the Republican State Central Committee.

Party leaders hailed Levin's election as a move toward unity for the troubled party, whose fortunes hit bottom with serious defeats in the 1966 election and was further hurt by Ferency's resignation and party dissent over the Vietnam war and other national issues.

Ferency, who served as chairman since 1963 and was the party's unsuccessful candidate in a bid to unseat Republican Gov. George Romney in 1966, was on a weekend speaking tour in New York and New Jersey and did not attend the meeting.

The committee unanimously adopted a resolution expressing the party's gratitude for Ferency's years of service as chairman.

"There is no doubt in my mind but what he will be a catalytic force to bring the party together," said former six-term Gov. G. Mennen "Soapy" Williams of Levin's election.

National Committeeman Neil Staebler described the election as "a great demonstration of party unity." Staebler, who with Williams is recognized as a leader of the party's "old guard," said Levin's election will give the party a means of handling the thorny problem of dissent among party ranks on the war issue.

Favors Johnson

Dissension can either weaken or strengthen the party, Staebler said, adding that the Vietnam issue "needs the kind of handling Sandy's willing to give it to make it a source of strength."

Levin, who has said he favors Johnson's renomination along with a "fair opportunity for any

challenger to use the democratic processes of the primaries and the state and national conventions," proposed that the party hold a series of "issues conferences."

He also called for greater involvement of elected Democratic officials such as congressmen and state legislators, development of the strongest possible candidates for 1968 and a return of the State House of Representatives to Democratic control.

The Democrats lost control of the House and State Senate in the 1966 elections.

"I'm giving the Republicans fair warning," he said. "If you thought you faced a galaxy of Democratic talent in 1966, wait until 1968."

Sen. Sander Levin

Negaunee Men Die In Blast

NEGAUNEE — Two veteran Marquette County iron miners — Eugene W. Anderson, 44, Negaunee, and Gerald J. Lebrish, 59, Palmer — were killed early Sunday in a blasting accident at the Mather mine here.

The two men, employed as stope scrapers, were blasting a blocked ore pass raise on the 10th level of the mine about 1,000 feet below ground when the accident occurred, mine officials said.

Officials of Cleveland-Cliffs Iron Co., which operates the huge mine, said its safety committee and Marquette County Mine Inspector Henry Scarffe were conducting an investigation of the accident and said no further details were available.

Lebrish had worked at the mine since 1958 and previously had worked for 20 years at the Maas and Bunker Hill mines. Anderson had been employed at the Maas and Mather mines since 1945.

No other injuries were reported.

Snows Grip Indian Tribe

WINDOW ROCK, Ariz. (AP) — The Navajo tribe, rocked by the worst winter storm in memory of old-timers, hopes for a break in the weather to reach thousands marooned by snow up to four feet in depth.

"The situation is pretty terrible," said Frank Chambers, Navajo tribal police assistant superintendent.

Bureau of Indian Affairs officials estimated 60,000 Navajos are in varying degrees of distress from the storm that struck the reservation last Tuesday night.

Air Force cargo planes and helicopters were prepared to drop food, shelter, clothes and medical supplies for the Indians. Doctors were to accompany the helicopters.

People First Concern

"The first thing we are going to worry about is the people," said an Air Force spokesman.

"We pray for no more snow," said the tribal police superintendent, V. Allen Adams. "The one thing we don't need is more snow. The old-timers say they have never seen anything like it."

At least one person is dead from the storm, a 60-year-old crippled sheep herder who lived

in the sprawling reservation's northeast area. There were unconfirmed reports of five other deaths.

At Rough Rock a family of five, including three children, were extremely ill from exposure, Navajo police said.

Adams estimated 16,000 to 18,000 square miles of the 25,000-square mile reservation, largest in the United States, was affected by the storm.

In many areas, deep snow immobilized tracked snow vehicles and other heavy equipment.

There were reports 150 to 200 persons might be marooned in the Pinon, Ariz., area in the northeast section of the reservation. A helicopter, flying from Nellis Air Force Base, Nev., reported seeing mirrors on the ground in the region, signaling for assistance.

The Air Force moved into Window Rock during the weekend to fly helicopters with food and medical assistance. Bad weather had curtailed the rescue operation.

Planes Drop Food

Eight C119 transports dropped an estimated 40,000 pounds of hay on the stricken Hopi reservation in central Arizona, which borders the Navajo area.

"We've got to get the people where they can take care of themselves," Adams said. "The Indian people have lived in hard country all of their lives. They have the ability to survive. They know what to do."

Heart Attack Fatal To Senator

HOLLAND (AP) — Republican State Sen. Harold J. Volkema, chairman of the Senate Education Committee, suffered a fatal heart attack at his home Sunday. He was 37.

Volkema, a father of five, taught school and operated a book store before winning election to the Senate in 1964.

He was in his second term and was a member of the Senate's committees on state affairs, elections and agriculture.

A native of Holland, he lived all his life in this West Michigan community. He was graduated from Holland Christian High School, where he later taught for 10 years.

"YEAH!" "OH, YEAH." The passenger train engine, left, and the freight train engine appear to be colliding their quarrel after colliding on Kansas City Southern tracks near Baton Rouge, La. A dozen persons were hurt, some seriously. (AP Wirephoto.)

Romney Meets Soviet Premier

MOSCOW (AP) — Michigan Gov. George Romney arrived in Moscow today to meet Premier Alexei N. Kosygin and hear the Soviet viewpoint on Vietnam and other issues.

Romney, an announced candidate for the Republican presidential nomination, is on a 23-day tour of 13 European and Asian capitals. He is scheduled to call on the premier Tuesday afternoon, it was disclosed on his arrival.

Asked whether he agreed with the Soviet view that the United States should stop bombing North Vietnam and see what develops, Romney replied: "I don't personally agree that it's that simple. But I hope to get their viewpoint."

Kosygin and Foreign Minister Andrei Gromyko had refused to see another Republican presidential hopeful, Richard M. Nixon, in March, when Nixon was one of the leading Republican supporters of the U.S. war effort in Vietnam.

But in reporting Romney's announcement of his candidacy for the presidential nomination, Pravda, the Soviet Communist party newspaper, said he would "pull the United States out of the swamp of the Vietnamese war."

SHOPPING DAYS TO CHRISTMAS

Two Jets Lost In MIG Combat

SAIGON (AP) — American planes continued raids on North Vietnam's heartland for the fifth straight day today, and the U.S. Command reported the loss of three jets Sunday—two of them downed by Communist MIG interceptors.

The U.S. Command did not immediately reveal details of the raids today, but Tass, the Soviet news agency, said American planes made a "massive raid" on Hanoi's northeastern district.

American spokesmen reported one MIG probably downed by U.S. fighters in the several swirling air battles over Hanoi Sunday. The American casualties were an Air Force F105 Thunderchief and an F4 Phantom brought down by a MIG21 and a MIG17. The three crew members aboard the two American planes were missing.

The third American plane downed, another Phantom, was hit by ground fire over North Vietnam's southern panhandle. One of its two crewmen was killed and one was rescued.

Including Sunday's casualties and a Phantom shot down Saturday by a MIG21, U.S. records list 36 American planes and 99 MIGs shot down in aerial combat so far in the war. A total of 765 U.S. warplanes have been reported lost over the North.

A freakish break in the monsoon weather—which began last Thursday—has permitted the heavy raids on key North Vietnamese targets after a one-month lull which permitted the Communists to rebuild shattered facilities.

U.S. pilots logged 145 missions today, the largest number reported during the current weather break. The priority targets were the MIG airfields at Kep and Phuc Yen, the vital bridge complex between Hanoi and the rail lines emanating from Hanoi and Haiphong.

Little ground action was reported.

Crewmen of the U.S. aircraft carrier Kitty Hawk, en route to the Gulf of Tonkin for her fifth combat tour of the Vietnam war, fought a fire in a tire storage area for three hours Sunday night.

A Navy spokesman at Subic naval base in the Philippines, where the 80,000-ton carrier had stopped over Saturday, said several crewmen inhaled too much smoke but there were no serious injuries. He said damage was minor, no planes were affected and the ship's operational capability was not impaired. Cause of the fire was not immediately known.

Cliffs Promotes Dawe, Petersen

Cleveland-Cliffs Iron Co. announces that Gilbert A. Dawe will become assistant manager, Michigan mines and Bernard H. Petersen will assume the duties of superintendent, Pioneer Pellet Plant—Ore Improvement Plant.

Dawe graduated from Michigan State University with a degree in geology. He began his career with Cliffs as a geologist in May, 1949. He resides at 2002 Prairie Ave., Ishpeming with his wife, Florence (nee Johnson) and four children.

Petersen graduated from Michigan Tech in 1949 with a B.S. degree in mining engineering and joined Cliffs as a mining engineer. He is married to the former Phyllis Anderson. The Petersens have four children and reside at 723 White St., Ishpeming.

SCARE ON CAT HUTCHINSON, Kan. (AP)

—What do you do when the family cat wants to have the family parakeet for lunch? Buy a scare crow. That's what Andy Savage did when his cat kept eye-balling the new parakeet.

Savage said two fake crows and a plastic owl did a great job of scaring off the cat.

Treloar (right) of the Panax Corp.'s three Upper Peninsula newspapers was presented with a gift by Ralph Kaziatek, Escanaba Daily Press manager, at a holiday party of Daily Press employees Saturday night. Treloar, of Marquette, will retire Dec. 31 as publisher of the Daily Press, Iron Mountain News and Marquette Mining Journal. (Daily Press Photo)

U.P. Told How To Handle Air Crash

By JAMES CARTER

Of Panax Newspapers
K. I. SAWYER AFB — Fire, explosions and death may result from a plane crash. But this isn't always the case, especially when the first persons at the crash site know what to do.

At a civilian briefing session here Friday for area law enforcement officers, firemen, civil defense and hospital officials and the press, Sawyer personnel outlined emergency action to be taken in the case of an aircraft accident in Upper Michigan. Persons from Marquette, Negaunee, Ishpeming, Escanaba and other central Peninsula communities attended the four-hour meeting.

Informative, fast moving and well illustrated with films, the briefing pointed out ways civilians could aid possible crash victims, law enforcement officers and military personnel in the event of an accident.

On the Sawyer panel were Lt. Col. Arby J. Thompson, who spoke on the mission of the 62nd Fighter Interceptor Squadron; George Copher, a civilian, of the disaster preparedness office; John Myrshill, chief of the Sawyer Fire Department; Capt. Peter Watts, security division, and Lt. Damon Rickard, information office. An introductory talk was given by Col. Holly Bartlett, deputy base commander.

Although Sawyer has an excellent aircraft safety record, its personnel fly more than 300 sorties over Upper Michigan and northern Wisconsin each month, and accidents are inevitable.

Call Sawyer
Procedures in the case of a plane crash were outlined as follows:

Call Sawyer base collect (346-6511) and tell the operator, "I wish to report an aircraft crash," and she will put the caller in contact with the proper office. Details should be given clearly and accurately, such as name of the caller, place and time of the crash and whether the plane is on fire.

Informant should say whether medical help is needed; if any member of the crew is injured

or believed to be dead.

Information on damage to property or possible injuries to persons at the site is also needed.

Other useful information includes identification number and type of aircraft, and the location where someone will meet the rescue team (and possibly lead them to the site if in a remote area).

Safe Distance Told
Panel members stressed that onlookers at the crash site should remain well away from the plane—at least 2,000 feet. There is always serious danger of fire and explosions and flying debris. Crowding around the plane also seriously hampers rescue and fire fighting efforts.

Thousands of gallons of fuel would be a major fire hazard, and explosions of ammunition, often in the nose or tail of the aircraft, can be touched off by the fire.

Cheer Basket Funds Needed

Baskets full of Christmas cheer in the form of food, candy, nuts, fruit and other goodies will be packed at the Legion Club beginning at 7 p.m. Saturday, Dec. 23, and all will be in readiness for Christmas Eve pickup Sunday from 8 a.m. till noon.

Chairman C. Elmer Olson announced that members of the Legion and ladies of the Auxiliary will be on hand to do the work of bagging candy, nuts and fruit, packing and tagging the baskets.

The number of requests have been high this year and in many cases, where the family is large, sickness and unemployment spell out the need for help.

Contributions have been somewhat slow in coming in and the Legion has asked for help to make this community project a success. A donation, large or small, will be a big help and greatly appreciated for the needy families, Chairman Olson said.

Park Ski Lift Not Completed

Ski facilities at the Porcupine Mountains State Park this winter will not include a chairlift—nor will skiing rates be increased.

Construction of a double chairlift was discontinued recently after unfavorable weather made it almost impossible for the contractor to complete the project in time for the start of skiing.

Consequently, the Michigan Conservation Commission, which had approved a rate increase for skiers withdrew the schedule of higher fees. Daily ski tow fees will remain at \$3 (instead of being advanced to \$3.50) for adults and \$1 for youths under 18 (instead of \$1.50). Also unchanged will be seasonal rates—\$25 for adults (instead of \$35) and \$15 for youths (instead of \$20).

An extremely wet fall in the western Upper Peninsula and some heavy snowstorms prevented work crews from getting up the steep slopes of the Porcupine Mountains to pour footings for the chairlift. The contractor was unable to get trucks up the hill even by pulling them with a bulldozer.

According to the Conservation Department, the contractor considered leasing a helicopter in a chairlift operation to pour footings and place the steel towers.

But costs were considered excessive and it was decided that the contractor would pay the daily penalty stipulated in the contract instead of trying to meet the completion date. Construction of the chairlift is expected to be resumed late next spring.

Ernest Hemingway based his novel, "For Whom The Bell Tolls," on his experiences in Spain during the Spanish civil war.

Call Blood Donors:

Delta Needs Help In Meeting Quota

Delta County has a quota of 307 units of blood for the procurement clinic this week — and so far there have been only 114 appointments made, it is reported by the Red Cross.

The bloodmobile will be in Gladstone on Wednesday and in Escanaba on Thursday and Friday and appointments may be made by calling the Red Cross in Escanaba. Persons who are unable to schedule a visit are encouraged to become "walk in" donors at a time convenient to them.

At Gladstone the clinic is at the James T. Jones School on Wednesday from 3 to 7 p.m. The quota for the day is 77 units and so far there have been 19 appointments for donors.

The Teamsters Hall at Escanaba will serve the procurement clinic on Thursday from 2:30 to 7:30 and on Friday from 10 a.m. to 3 p.m.

In Escanaba on Thursday the quota is 115 and so far there have been 53 appointments; and on Friday the quota is 115 and the number of appointments 43.

Merrill. (Daily Press Photo)

Arntzens Will Plan Center At Lake Superior

SAULT STE. MARIE — The Board of Control of Michigan Technological University has authorized \$5,000 for preliminary plans for a new Lake Superior State College student center, a proposed \$750,000 self-liquidating project.

Subject to legislative approval, the building would contain between 25,000 and 30,000 square feet, and would represent the first phase of long range plans for additions as the college grows. It is soon to become autonomous and no longer a branch of Tech.

The planning money will enable the college to secure plans from G. Arntzen & Co., Escanaba architects which will in turn allow for procedures for acquiring of funds — such as application for certain federal grants — or donations that might be used to start building.

A committee of students, faculty and administration has been studying feasibility of a student center for a year and it was their recommendation that the building has potential for completion and that plans should be obtained now to permit funding.

Powers-Spalding Advisory Committee

The local Policy Advisory committee meeting was held recently at the Spalding Township Hall. Miss Nell Everitt, VISTA volunteer in the area spoke on her work. Mrs. Carl Peppiatt of Bark River gave a report on the Legal Services convention that she attended recently in Philadelphia. The next meeting date has been tentatively set for Jan. 15.

Wake Up Your PERISTALSIS And Be Your SMILING BEST

Peristalsis is the muscular action of your digestive system. When peristaltic action slows down, waste materials can build up in the lower tract. You can become irregular, uncomfortable, stuffed. The unique laxative formula of today's Carter's Pills gives effective, temporary relief of the irregularity by activating the slowed-down muscles of the lower tract and stimulating peristalsis. So if you're sluggish due to irregularity, take Carter's Pills to wake up your peristalsis and you'll bounce back to your smiling best. Millions of satisfied users take Carter's Pills for effective temporary relief of irregularity. Why don't you. 49¢.

Garden Peninsula C&NW Railway Promotes Clemons

Kenneth Heafield, 57, a former resident of Garden died Saturday in Bay City, Mich. The body is being brought to Garden and visitation will be held at the Congregational Church until 1:30 p.m. Wednesday. Services will be conducted by the Rev. J. Hastings of Gaylord. Burial will be in the Kates Bay Cemetery.

C&NW Railway Promotes Clemons

Len Clemons, 34, has recently been promoted by the Chicago and North Western Railway Company to the position of supervisor - joint facilities, with headquarters in Chicago.

Clemons began his career with the North Western in 1950 working at various stations in Minnesota at an agent-telegrapher. After finishing his tour of duty with the Army in 1956 and upon receiving a Bachelor of Arts degree in business administration from Winona State College in 1960, he was promoted to the position of traveling auditor, working in Chicago and recently in Eau Claire, Wis.

He is married to the former Angeline Malnor of Escanaba. They have three children. They will make their home at 437 Walnut St., Walcinden Park, Des Plaines, Ill.

Briefly Told

Erling E. Olson of Rapid River appearing today in Municipal Court, pleaded guilty to a charge of being drunk in and about an automobile and was ordered to pay a fine of \$50 and costs of \$5. He was arrested by Escanaba police at 3:09 a.m. Sunday.

James J. Dube of Rock, pleading guilty in Municipal Court to a charge of being a minor in possession, was ordered to pay a fine and costs of \$55. He was arrested by Escanaba police in the alley of the 300 block, Stephenson Ave., Saturday night.

Escanaba police have issued traffic court notices to James E. Ellison, 1322 N. 22nd St., James P. Nault, Escanaba Rte. 1, Fred P. Kossow, 1001 S. 12th St., Mary E. Vandewickie, 1501 Stephenson Ave., Richard E. Ellison, 1322 N. 22nd St., Robert G. Rae, 1212 4th Ave. S., Glenn R. Caswell, 627 Stephenson Ave., Arnold C. Anderson, Wells, John F. Collins, 1122 N. 18th St., Jeffrey R. Jurnu, 1601 Lake Shore Drive, Thyra A. Cleereman, 1407 1st Ave. S., Patrick S. Larabee, Rapid River Rte. 2, James P. LaFleur, 1724 Montana, Gladstone, Rita Mae Taylor, 1515 17th Ave. S., and Charles H. Miller, Bark River Rte. 1, all for speeding; Clark R. Heath, 322 N. 14th St. and James L. Gravelle, Escanaba Rte. 1, both for disobeying a traffic signal; James C. Peltier, 2201 8th Ave. S., improper lane usage; and Richard R. Pepin, Gladstone Rte. 1, disobeying a stop sign.

An Escanaba boy, 16, is to be arraigned in Delta County juvenile court on a charge of driving while under the influence of intoxicants, after his arrest by Escanaba police. Joseph Grenier, 504 S. 15th St., reported to police that he was forced off the street at 3:11 a.m. Sunday by the car driven by the youth. Police made the arrest on Grenier's complaint and lodged the boy in jail until his release to relatives.

Bark River

Mrs. Martin Kwarciany spent several days in Butler, Wis., with her son and family, the David Kwarciany.

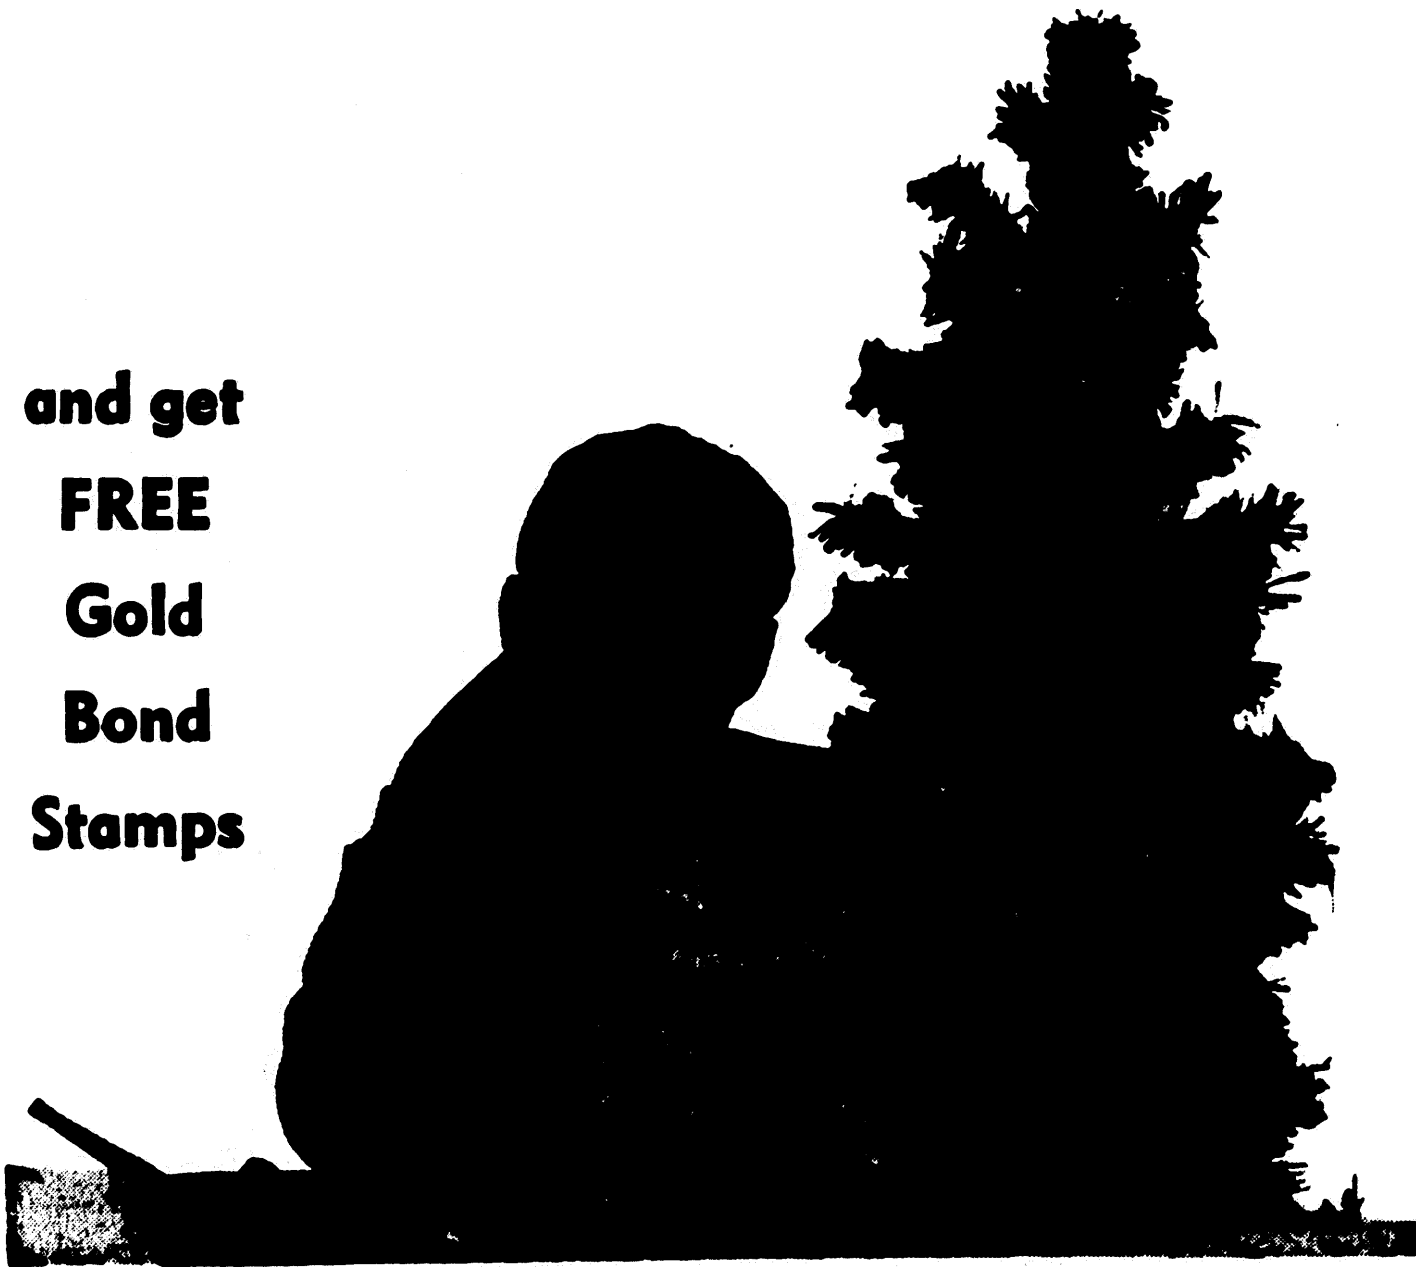

Christmas Program
The Bark River Bible Church announces its annual Christmas program to be presented on Saturday, Dec. 23, at 7:30 p.m. The program, "Unto You a Saviour is Given," will consist of a film strip with appropriate hymns and carols interspersed throughout. The entire Sunday School will take part with solos, group singing and instrumental selections. The public is cordially invited to attend.

Hospital
Mrs. Norman Nelson of Lansing fell and broke her shoulder a week ago and is in traction in the Ingham Medical Hospital in Lansing. She is the former Elsie Olson, daughter of Mrs. Minnie Dehlin of Rte. 1, Bark River.

Mrs. Joel Lee Peterson

Gloria Boudreau Bride Of Joel Lee Peterson

St. John the Baptist Church in Garden was the setting Saturday, Dec. 16 for the double ring ceremony uniting in marriage Miss Gloria Mary Boudreau of Garden and Joel Lee Peterson of Fayette.

The Rev. Joseph Callari heard the solemn exchange of vows at 4 p.m. The bride is the daughter of Mr. and Mrs. George Boudreau Jr. of Garden and parents of the bridegroom are Mr. and Mrs. Hector Peterson of Fayette.

White Velvet
The bride chose for her wedding, a floor length A-line gown of white velvet fashioned with long sleeves and modified scoop neckline.

A circular crown of white velvet held her shoulder length veil of silk illusion and she carried a bouquet of red roses and white carnations. Matron of honor for the bride was Mrs. Edward (Jeanne) Taylor of Battle Creek and

bridesmaids were Miss Cheryl Mabius of Kalamazoo, Miss Anne Boudreau of Garden, sister of the bride and Miss Shirley Peterson of Flint.

They were attired in floor length moss green gowns styled with bell shaped sleeves. They carried white fur muffs trimmed with holly.

Annette Peterson was the flower girl and was attired in a moss green gown. Carrying the rings was Andy Boudreau. Serving as bestman was William Seamen of Flint and groomsmen were Vernon Seamen of Flint, Ben Peterson and Randy Peterson of Fayette, brother and cousin of the bridegroom.

Mothers' Attire
For her daughter's wedding, Mrs. Boudreau wore a navy suit with navy and white accessories. Mrs. Peterson chose a navy and white suit with navy accessories and both mothers were presented corsages of red roses.

The wedding reception was held at Garden Corners. The newlyweds will make their home in Flint.

The bride is a 1964 graduate of Garden High School and attended Bay de Noc Community College for one year. The bridegroom, also a 1964 graduate of Garden High School, served two years in the U.S. Army, one year in Vietnam. He was discharged Dec. 6 from Fort Carson, Colo. and had attained the rank of sergeant.

New England Bishop's Bread

New England Bishop's Bread is a rich, traditional, holiday bread. Cut it in thin slices and serve without a spread, like fruitcake. With several loaves packed away in the freezer, you'll be prepared for callers during the festive days ahead.

New England Bishop's Bread
one loaf
2 cups sifted flour*
1 tablespoon baking powder
1 teaspoon salt
1 cup chopped walnuts
1 cup chopped maraschino cherries
1/2 cup candied citron
2/3 cup semi-sweet chocolate pieces
4 eggs
1 cup sugar

Sift together flour, baking powder and salt. Combine walnuts, cherries, citron and chocolate; coat with 1/2 cup flour mixture. In mixing bowl, beat eggs and sugar until light. Stir in fruit-nut mixture. Add remaining 1 1/2 cups flour; blend thoroughly. Turn batter into greased and wax-paper lined 9 1/2 x 5 1/2-inch loaf pan. Bake at 325° for 1 hour and 20 minutes or until done. Cool 10 minutes before removing from pan. Cool thoroughly before slicing.

Mrs. Lawrence Knauf Jr.

(Lee's Studio)

Carol Ann Ogren Wed To Lawrence Knauf Jr.

Miss Carol Ann Ogren became the bride of Lawrence B. Knauf Jr., during a double ring ceremony performed Saturday, Dec. 16 at St. George's Church in Bark River.

Officiating at the nuptials at 2 o'clock in the afternoon was the Rev. Thomas Dunleavy. Red poinsettia plants adorned the church altars.

The bride is the daughter of Mr. and Mrs. Ragnar Ogren of Bark River and parents of the bridegroom are Mr. and Mrs. Lawrence Knauf Sr. of Bark River.

Attending the bride as matron of honor was Mrs. Don Bugay of Gladstone and bridesmaids were Mrs. Marvin Johnson of Gladstone, sister of the bride and Miss Sue Virgo of Milwaukee.

Delustered Satin
The bride wore a floor length gown of white delustered satin fashioned with a basque bodice, modified Sabrina neckline and tapered sleeves edged with lace. The very bouffant skirt extended to a circular chapel length train. Lace appliques detailed the bodice and skirt of the gown.

A single tiered headpiece fashioned with crystal and pearls held her shoulder length veil of pure silk and she carried clusters of red carnations forming cascading balls with green ivy foliage.

The bridal aides were attired in floor length scarlet red velvet gowns styled with elbow length sleeves with red fur cuffs and detachable waist trains secured by a self bow. White fur capes completed their attire and their headpieces were scarlet red velvet five point leaves trimmed with pearls.

Flower Girl
Kelly Steff, niece of the bridegroom was the flower girl and wore an Emerald green velvet dress with white fur trim and carried white fugi mums with holly foliage in a white basket. Dennis Dubey

cousin of the bridegroom was the ringbearer.

Bestman for his brother was Fred Knauf of Gladstone and groomsmen were Don Bugay of Gladstone and Richard Puddy of Escanaba.

Seating the guests were Emil Ogren, brother of the bride and Dennis Dubey, cousin of the bridegroom.

Mrs. Ogren selected for her daughter's wedding, a three piece gold suit with satin trim and brown accessories. She was presented a corsage of white roses and gold balls.

Mrs. Knauf wore a white linen coat and dress ensemble with black and white accessories and she was presented a corsage of red roses.

Reception
The wedding reception for 600 guests was held at 5 p.m. with a dance following. A centerpiece of red carnations with white and silver accents adorned the bridal table at the reception.

Following a wedding trip to Milwaukee, the newlyweds will make their home in Escanaba.

The bride is a 1963 graduate of Bark River-Harris High School and is presently employed as secretary to the production superintendent at Harnischfeger Corp. Mr. Knauf is a 1959 graduate of Holy Name High School and is presently a dealer for Ski Doo snow machines and is also associated with the Farmer's Supply.

St. Thomas HS Meets Tuesday

St. Thomas Home and School will meet Tuesday, Dec. 19 at 8 p.m. in the parish hall. Guest speaker will be Charles Gallagher, psychiatric social worker from the Child Guidance Center.

Lunch will be served by the 7th grade mothers.

Ever add sauteed mushrooms to a cheese sauce? Nice to serve with plain broiled fish.

HOME FURNITURE NEWS

by
Clyde Anderson

PATTERN should be used with care in planning the decor of your rooms. Properly used, patterns can bring life, individuality and distinction to the room. Overdone, it can create a confused, "busy" feeling.

We're often asked if you can use more than one pattern in the same room. The answer is a qualified "yes" — but not two big, bold patterns. If you choose such a pattern in a print on your sofa, and you'd like another print in a chair, be sure the chair print is small to complement the bolder pattern on the sofa. And if you've gone this far with patterns, avoid using another different one in your draperies.

You can achieve variety in your furniture and backgrounds without using different patterns. A change in texture or finish will give you a more subtle variety. Look at the difference when the same color, or one very similar, is used in velvet or an elegant quilted fabric, and again in a rough-textured weave. It will appear different again in smooth nylon draperies.

For variety in furnishings, promise yourself to visit our showroom soon. You'll find a delightful range of decorator fabrics, colors, prints and textures to choose from in fine upholstered furniture, along with a beautiful selection of wood finishes. Come in!

Sheriff Refuses To Reinstate Two Washtenaw Men

ANN ARBOR (AP) — Sheriff Douglas Harvey of Washtenaw County says two of the four deputies he fired this month "will never be reinstated as long as I am sheriff."

Harvey says he has offered to reinstate the other two. All were members of the executive board of the Washtenaw County Deputies Association.

They were fired when the association refused to retract a statement indicating its intent to sue the County Board of Supervisors.

The association wants to force the supervisors to recognize it as the deputies' legal bargaining agent.

Most of the world's thunderstorm activity occurs in Java and least in the polar regions, according to the Encyclopaedia Britannica.

ESCANABA JUNIOR Achievement is in full swing in Escanaba with three companies of young people operating them. Among them from left) are Sandy Good, president; John Gueky, secretary; and Kathy Remondini, assistant treasurer of the KeyIt company. Not pictured are Debbie O'Connell, treasurer; Dave Patterson, vice president production, and Karae Baunler, vice president sales. (Daily Press Photo)

Dairy Farmers Say Their Share's Cut

An Alger County dairyman who asked anonymity says he believes that the public has a false impression of how much dairy farmers are getting for their milk.

"Since the Michigan Milk Producers Association announced that farmers would get a 30 cents a hundred pounds raise in the price of milk last July," said the farmer "several people have told me 'You must be getting rich on milk!'"

"But as a matter of fact the farmers got 20 cents per hundredweight less for milk in October of 1967 than they got in 1966, although the consumers were paying 3 cents a quart more."

"In October, 1967 the farm-

er got \$5.24 per hundred, which is 46.5 quarts, for 3.5 butterfat milk, or slightly over 11 cents a quart. The consumer paid about 27 cents a quart for 3.25 milk. If the farmer had sold 3.25 milk, he would have gotten \$5.04 per hundred or just over 10 cents a quart."

(Milk is bought on a butterfat basis.)

Spread Criticized

"If the farmer sold 2 per cent butterfat milk — which he can't because of the law (prescribing a 3.5 butterfat base), he would get \$4.04 per hundred or just over 8 cents a quart and it sold for 26 cents a quart in the stores in October."

The farmer said that dairy farmers wouldn't kick if the milk which they sell for 11 cents a quart were sold by the stores for 22 or 23 cents, but that they regard their 11 cents share of a 27 cent a quart retail sale price as an uneven spread of income in the business.

Maurice Barrett, Marquette, of the Michigan Milk Producers Association, which is bargaining and marketing agent for most U.P. Grade A milk producers, said that the big chain stores control the price of milk. The ones with the largest volumes get a volume drop-off discount and U.P. dairymen have got to compete with milk supplied to the U.P. retail

market by dairy firms which buy their milk elsewhere (mostly in Wisconsin) at lower prices than are paid to U.P. dairy farmers for their milk.

Butterfat Content

The dairies bottle 3.5 per cent butterfat milk, except for skim milk and such specialties. Average test now is 3.7 per cent butterfat, but at times the dairies have to add cream to bring drinking milk up to minimum butterfat standards.

As for the price to the consumer, it starts with the money paid to the dairy farmer for the milk when it's produced, to which are added, hauling, the dairy's cost and profit for handling, the carton, the cost of delivering to the stores or home customers, and the mark-up in the stores.

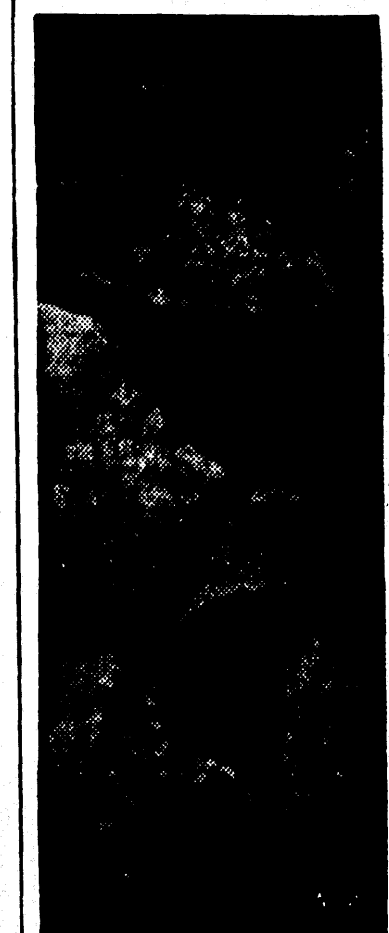

The last time milk prices went up 2 cents a half-gallon at wholesale, said Barrett, the Stores raised the price 3 cents, to take a penny a quart for themselves. Drivers' commissions are going up, union labor costs are higher, said Barrett, and the competition of imported milk holds down the price paid to the farmer.

Barrett said that under the Federal Milk Marketing Order for U.P. Zone II (Marquette Area) in October, 1966 the price to farmers was \$5.49 for Class I and \$4.26 for Class II. In October, 1967 the prices were \$5.16 for Class I and \$3.98 for Class II.

The import competition that restricted the farmer income did not work equally on other costs of marketing milk, so the farmer's share of the milk dollar was disproportionately affected.

The Alger farmer said farmers got \$4.20 per hundred clear and without hauling cost in 1962 when milk was selling for 18 to 20 cents a quart retail. Milk marketing has changed basically since then toward the supermarkets.

Newspaper Want Ads are a big sell! One billion, twenty-one million was spent on classified ads last year . . . more than for all magazine advertising combined and more than 300 million more than radio advertising.

BUSINESS END of a Leatherneck in leadership training is shown in action at Quantico, Va., where young officers learn that one of the essentials of leadership is a good command voice. Students such as this one are taught to shout orders with precision and volume as the most basic form of communication.

Now Possible To Shrink Painful Hemorrhoids

And Promptly Stop The Itching, Relieve Pain In Most Cases.

New York, N.Y. (Special): Science has found a medication with the ability, in most cases — to promptly stop itching, relieve pain and actually shrink hemorrhoids.

Tests by doctors proved that in case after case, while gently relieving pain, actual reduction

of the inflamed hemorrhoids took place.

The secret is Preparation H®. There's no other formula like it! Preparation H also soothes irritated tissues and helps prevent further infection. In ointment or suppository form.

THE LITTLE WOMAN

"Boy, you're a real swinger, Mrs. Butterworth!"

Prisoners Flee, Then Give Up

PORT HURON (AP) — Two young men who escaped from the St. Clair County Jail were back behind bars today.

Police said the father of Sylvester McGraw, 17, Highland Park, talked his son and a companion, Douglas Livingston, 25, Port Huron, into giving themselves up to authorities.

The two men cut through a cell block with a smuggled tool, overpowered a guard and jumped from a kitchen window

Wigs Stolen

DETROIT (AP)—A safe containing \$600 and 25 women's wigs valued at \$3,750 were taken from the House of Beauty in near north Detroit over the weekend. Police said the burglary was discovered Sunday.

McGraw was waiting trial on a charge of possessing stolen property, while Livingston was about to be sentenced for forgery and probation violation.

Accidents Kill 17 In Michigan

By The Associated Press
Seventeen persons were killed in Michigan traffic accidents over the weekend, including one who died when his auto collided with a train.

The Associated Press tabulation of the weekend fatalities began at 6 p.m. Friday and ended at midnight Sunday.

Five victims died in collisions between their vehicles and other cars or trucks, nine were killed when their cars either overturned or ran off highways and struck objects.

School Vote

BELDING (AP) — Voters in the Belding School District balloted today on a proposed five-year, 10-mill school operating levy to replace a four-mill levy which expires.

It is estimated that about 400,000 new settlers cross California's borders each year.

Driver Injured When Car Rolls

Glen Cutocher, 56, of Escanaba, is reported in good condition at St. Francis Hospital today where he is receiving treatment for injuries suffered in a highway accident at 3:50 p.m. Saturday on U.S. 2-41 in Wells Township.

State Police of the Gladstone post reported that Cutocher's light car went out of control and rolled end over end on the highway. He was given a traffic court notice for violation of the basic speed law, driving too fast for conditions.

JOSEPH T. COX, Michigan State University extension specialist in urban planning and landscaping, left, visits with his nephew, Dennis P. Zanetti, a teacher of English at Escanaba Area High School. Landscape architecture, said Cox, a veteran of counseling on beautification of Upper Peninsula homes and public buildings, has an enlarging role in the area's future as it plans for enlargement of its recreation business. Tourism thrives on attractive surroundings, said Cox. (Daily Press Photo)

A Specialist Looks About And Suggests:

U.P. Landscaping Should Go Native

A professional landscaper looked at the Upper Peninsula last week and saw some good things and some bad things.

He is Joseph T. Cox, extension specialist in urban planning and landscaping at Michigan State University, who worked with Andrew Bednar, Gogebic County MSU Extension director, on landscaping problems in the Ironwood area, where development is getting a strong recreation business accent after the collapse of iron mining industry.

Cox reported the highway information center near Ironwood beautifully designed, using native materials and nicely placed in its setting.

But when he drove on west into the Upper Peninsula Cox wasn't always happy. The area is one of great natural beauty and should be very appealing to visitors "but the blatant advertising is a degrading feature," said Cox. "It is out of keeping with the natural scheme."

"I would like to ask (highway) advertising what it has done to make itself more useful? I don't see any drive-ins where a traveler can use a pushbutton to get a card telling him what he wants to know — where to dine and shop and find recreation."

"They seem to think that the only way to impress people is to make the billboards bigger. How about turnoffs for information? But all the advertising industry has done is to make the roadside boards bigger and more permanent and better lighted."

"I would like to see the talents of Johnson, Johnson & Roy of Ann Arbor or the Simonds"

Brothers of Pittsburgh or some other good planners brought to bear on this problem. I am sure that we could bypass the (roadside) advertising problem if we devoted some money to research on it to develop some new forms, well designed and well lighted.

"I have never been in the office of a national advertising office," said Cox, in confessing the lack of communication between the forces trying to beautify the highways so they will attract more tourists and those

which are using them for advertising avenues to the detriment of development.

"When you drive up to the Mackinac Bridge and you can't see it because the view is blanketed out by an advertising sign, you begin to wonder about the legality of it," said Cox.

Asked about the Upper Peninsula's usage of ornamental plantings, Cox said "We should do more with native species, with Juneberry and birches and native junipers. But no, we want the easy things that come from the nurseries in Tennessee. Japanese yews that winter-burn are an example. I think our nurserymen would make a better living if they would sell us the gold and purples of our own junipers instead of imported exotics."

Fire Destroys Christmas Mail

NEW YORK (AP)—A federal safety team had recommended in October the installation of a sprinkler system in the first-floor Morgan Annex Post Office, a top postal official says.

The fire that roared through the Manhattan Postal Station Friday night — burning up millions of pieces of mail — started on a conveyor belt, authorities said.

New York fire officials said open chutes allowed the blaze to develop into an 11-alarm fire that took nine hours to bring under control.

A postal inspector said Sunday that an address-obiterated package of \$44,000 in new \$5 and \$10 bills found in the debris Saturday by a fireman will be handled "the same way we handle dead letters." The federal government keeps all the money left in dead letters not claimed within a year.

Vietnam Land Reforms Urged

WASHINGTON (AP) — For the second time this year, the chairman and ranking Republican on a House subcommittee have urged U.S. officials to pressure the South Vietnamese government to accelerate land distribution and other reforms.

Secretary of State Dean Rusk says the South Vietnamese have pledged to take such action.

Reps. John E. Moss, D-Calif., chairman of the House foreign operations and government information subcommittee; and Ogden R. Reid, R-N.Y., told Rusk in a letter released Saturday night that land reform should begin immediately.

Sources said their letter, which charged the Viet Cong land distribution program has involved five times as much land as that of the government, contained the conclusions of a forthcoming subcommittee report.

"We trust that during the impending period of congressional adjournment," Moss and Reid wrote, "the Department of State will take such action as is necessary to make crystal clear to the government of South Vietnam the imperative nature of its undertaking a true commitment of action with regard to the pressing problems of land reform."

Rusk replied to the letter by saying the State Department already is looking toward further action by the Saigon government regarding land matters. He said this includes "the whole broader field of agricultural development and reform."

Obituary

CHARLES MIDDLE
Funeral services for Charles Middle were held at 11 a.m. Saturday at St. Mary's Church in Hermansville with Rev. Gertrude Brewer officiating. Burial was in the Meyer Township Cemetery. Pallbearers were Peter Peetz, Gerald, James, Norbert and Raymond Schultz and Ronald Middle.

ARTHUR BUSHY
Funeral services for Arthur Bushy were held at 10 a.m. Saturday at St. Francis Xavier Church with Rev. A. Ehlinger officiating. Burial was in the Norway Township Cemetery. Pallbearers were Julius Mikus, Ely Bellefeuille, Karl Behrend, Phillip Labre, William Wells and David Corriveau.

HEADED FOR THE MOON — possibly — is this unusual self-propelled vehicle featuring a unique "walking beam" suspension system designed to perform well on rugged terrain. Dreamed up by Northrop Corp., it is being studied by the Army Tank Automotive Command as one of several new suspension systems for high mobility vehicles.

Michigan Growers Sell 4 Million Christmas Trees

LANSING (AP) — Michigan Christmas tree growers will market about four million trees this year, reports the State Agriculture Department. Michigan trees moved as far west as Colorado and Arizona and are particularly popular in the Southwest, the department said.

Scotch pine make up about 90 per cent of the crop with firs and spruces comprising the remainder. The scotch pines are favored because they grow rapidly and hold their needles well. About 11,000 growers share in the annual market, the department reported.

Whales Sighted Off California

SAN DIEGO, Calif. (AP) — The first California gray whales migrating from the Bering Sea to breeding grounds in Baja California have been sighted off San Diego.

Rangers at the Cabrillo National Monument say they've sighted 17 whales. The whales once were in danger of extinction but are prospering under an international agreement which protects them from slaughter. They return north in March.

Oldest American race track is Saratoga, in New York State.

Garden Peninsula Circle Meeting

Our Lady of the Lakes Circle met at the home of Mrs. Alfred LaVallee on Tuesday, Dec. 12. Mrs. John LaVallee was hostess to the group which packaged Christmas cookies for the elderly. Sister Mary Monica was a special guest. The guest prize was awarded to Mrs. Cleatus Rochefort. The next meeting will be held at the Randall McPhee home in January.

Mr. and Mrs. Percy John Plante have purchased and moved into the former Howard and William LaCost farm home.

Birthday Club

The Birthday Club met at the Ray Allen farm Thursday, Dec. 14 to honor Mrs. Lee Potvin and Mrs. Ray Allen. A social evening was followed by lunch with birthday cake centering the table.

Bark River Hospital

Mrs. Alfred Anderson is a medical patient at St. Francis Hospital in Escanaba. Scott Peterson, son of Mr. and Mrs. Stanley Peterson, is also a patient there.

Church School Program The Salem Lutheran Sunday Church School Christmas program will be presented at 4 p. m. Sunday, Dec. 17 at the church. The program will include a film, "Emanuel," and group singing.

Relief To Rioting Slums To Be Costly To Nation

WASHINGTON (AP) — Sen. Edward W. Brooke, R-Mass., a member of the President's Advisory Commission on Civil Disorders, says Congress will have to spend a lot of money to bring relief to America's riot-torn slums, likening the problem to the Vietnam war.

Brooke—the Senate's only Negro member—said the Vietnam war costs \$2.5 billion or more a month and added: "But this is also a war in the United States. It is an important war, and this war must be won as well and I think we are going to have to spend the money necessary in order to win that war."

Another member of the civil disorders commission, Sen. Fred R. Harris, R-Okla., said "it would be terribly wrong to be surprised again next summer as we have been in every summer past" if riots break out. He said the social conditions causing the riots in the past have not been changed.

"We have got to learn from experience a lot better than we have in the past," Harris said. Brooke and Harris comment-

ed Sunday on NBC's "Meet the Press."

Hopes For Action

Brooke said the commission will have recommendations for Congress in its final report, due in February, which will include spending, but did not detail them. However, he expressed hope Congress would act in its second session of the 90th Congress, beginning Jan. 15, even though inflation fears and Vietnam spending made the Congress budget-conscious in the first session.

Commenting on Black Power advocates Stokely Carmichael and H. Rap Brown, Brooke said they represent the dissatisfaction of young Negro militants with "the slow process of racial equality that has been going on in this country."

"The thing we should be more concerned with than those who incite riots are the conditions which make people incite," Brooke said. "Stokely Carmichael and H. Rap Brown would not be able to find followers if those conditions did not exist."

Harris declined to express specific agreement with a prediction by Prof. Herbert J. Gans of Columbia University that the violent repression of city riots will lead to "expanding guerrilla warfare between the races until the entire country becomes a tinderbox, like South Africa." Gans made the comment in

recent testimony before the civil disorders commission which was released Saturday.

Long Range Program

He urged governmental action to deal with "grievances that make the ghetto boil over and that encourage police, the troops and their supporters in the white population to resort to excessive repression in return."

But Gans added a long-range program will be needed to change the relationships between whites and Negroes.

Republicans in the House were reported by one of their leaders to be preparing a civil rights bill for the next session of Congress.

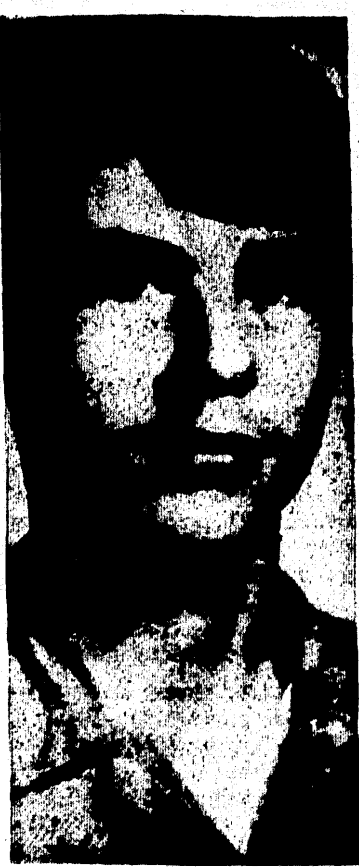

Rep. Melvin R. Laird of Wisconsin, chairman of the House Republican Conference, said the measure will include a "modified" open-housing provision. But he did not detail the GOP plan.

Barred By Army; Gets GI Praise

MUIR (AP) — The actions of Richard Armstrong, who turned in his draft card at the Ionia Draft Board recently because the Army refused to take him, have won the admiration of U.S. fighting men in Vietnam.

Armstrong, 19, of Muir, said he wanted to fight for his country but twice he failed to pass the physical examinations because of injuries suffered in an auto accident a few years ago. An Ionia County serviceman in Vietnam, Navy Radioman I.C. Melvin Hill, writes home that Armstrong's story was headlined on page one of the Far East "Stars and Stripes," the soldiers' newspaper. Hill said he and other GIs in Vietnam are proud of Armstrong.

Kon was quoted as explaining: "The necktie is worn by people who have no desire to work. The necktie is a yoke that restricts freedom of any movement and causes labor efficiency to drop."

MICHAEL TILLMAN, 16, Lawrence, Mich., died Friday after being wounded by shotgun blasts fired by policemen during burglary at a Coloma grocery store. (AP Wirephoto)

Pontiac Firemen's Strike Fizzles

PONTIAC (AP) — A sick call strike by Pontiac firemen fizzled out Sunday as only six of about 40 firemen failed to report for duty. Chief Albert Raynor said.

Eleven of 38 had called in sick Saturday after a city income tax which would have provided more money for the fire department was delayed. Officials have planned to lay off 12 firemen due to a shortage of funds caused by the tax delay.

A city income tax was approved by the city commission recently, but a group of citizens have filed petitions asking for a referendum on the issue.

The referendum is set for February, but officials say that even if the tax is approved at the polls the money will not be available for the fire department for about six months.

Rams Spill Colts To Earn Crack At Pack Saturday

By The Associated Press

Johnny Unitas spent an endless hour hurrying in the wrong direction . . . and watching Los Angeles turn the National Football League's Coastal showdown into a Roman carnival.

Roman Gabriel, the Rams' strong-armed quarterback, eclipsed superstar Unitas Sunday by firing three touchdown passes as Los Angeles drubbed the previously unbeaten Baltimore Colts 34-10 for the Coastal Division title.

While Gabriel connected on 18 of 22 passes for 237 yards—to the delight of 77,277 revelers in the Los Angeles Coliseum—the

Ram defenders hurried Unitas into two costly interceptions and dropped the NFL's Most Valuable Player seven times for losses totaling 48 yards.

"The crux of our defensive plan for this game," said LA Coach George Allen, "was not to allow Unitas enough time to throw the ball, because he can thread the needle in a crowd."

The Rams' Fearsome Foursome—Lamar Lundy, Deacon Jones, Merlin Olsen and Roger Brown—followed Allen's plan to the letter.

In snapping Baltimore's 13-game unbeaten streak, the Rams extended their own win-

ning string to eight games and advanced into next Saturday's Western Conference championship playoff against Green Bay's Central Division kings.

Los Angeles and Baltimore tied 24-24 in their first meeting and finished in an 11-12 deadlock. The Rams, however, got the title nod by virtue of their point edge in the two games against the Colts.

The Packers, who nailed the Central crown three weeks ago, were upset by Pittsburgh 24-17 Sunday. New York pounded St. Louis 37-14. New Orleans stunned Washington 30-14. Philadelphia toppled Cleveland's

Century champs 26-24. Chicago beat Atlanta 23-14 and Detroit trimmed Minnesota 14-3 in other games.

Dallas' Capitol Division winners, who meet Cleveland for the Eastern Conference championship next Sunday, bowed to San Francisco 24-16 Saturday.

End Ben McGee rambled 21 yards with a deflected Green Bay pass for one touchdown and tackled Chuck Hinton potted 27 yards with a recovered fumble for another score as Pittsburgh's defensive unit wrecked the Packers, who substituted freely in their final pre-playoff tune-up.

New York's Fran Tarkenton tossed four touchdown passes—two to Aaron Thomas—as the Giants overpowered injury-plagued St. Louis and captured

second place in the Century race.

The Saints nailed Washington punt returner John Love for a third-quarter safety, breaking a 7-7 tie, and struck again 19 seconds later on Randy Schultz's one-yard TD plunge following Walter Roberts' 68-yard free kick runback. They pulled away on Bill Kilmer's second TD pass to Dan Abramowitz and Don McCall's 49-yard scoring jaunt.

Norm Sneed threw three scoring passes against the Browns, who rested several regulars and went all the way with third string quarterback Gary Lane. Sam Baker kicked four extra points for the Eagles and moved into third place on the all-time NFL scoring list with 824 career points—one more than Don Hutson, the former Green Bay flash.

High Point Performances Wasted By Michigan Collegiate Cagers

By The Associated Press

Dazzling scoring performances are becoming almost commonplace in Michigan college basketball this year, and the latest round of results was no exception.

Individual players pumped in points at a prolific pace—43 points by Jim Garza of Detroit Tech being the weekend's highest total.

But there were other impressive scoring spurts.

Leroy Haywood scored 34 for Michigan Lutheran and Eddie Jenkins added 30.

But high scorers are no panacea. Despite the performance of Haywood and Jenkins, Michigan Lutheran took a 103-85 beating from Lake Superior State.

Lake Superior, led by John Dorr's 22 points, was marking up its eighth victory of the year against only one loss.

Garza's Tech team won, though, by a 100-91 maring over Mackinac, which was paced by a 28-point performance by Pete Carry.

It was DIT's sixth victory in seven starts.

A 27-point effort by Floyd Brady helped Hope down Albion 89-75 in a Michigan Intercollegiate Athletic Association game that left Hope with three victories and only one loss.

Earle Higgins scored 27 points in leading Eastern Michigan to its third straight victory, a 92-68 triumph over Baldwin-Wallace. Eastern is 4-1 for the year.

Perhaps the most impressive scoring show came from Aquinas, which dumped Calumet

Western Victim Of Hot Streak

KALAMAZOO (AP)—Western Michigan University basketball players may find the cool of winter refreshing compared to the hot streak that did them in Saturday night.

Ball State hit 20 of 28 field goal attempts in the second half of the game in Muncie, Ind., to dump WMU 101-90 in a nonconference basketball game.

The Cardinals, who led 53-39 at halftime, had a shooting average of .63 per cent on field goal attempts during the game.

Steve Ricks put in 22 points for the victors and Gary Miller and Barry Kennedy each contributed 20, but Western's Eugene Ford was top scorer for the game with 27 points.

Sloppy Packers Humbled In Final Season Contest By Pittsburgh's Steelers

GREEN BAY, Wis. (AP)—The Green Bay Packers, playing as if their minds might have been on Los Angeles, forgot about Pittsburgh Sunday.

The result was a 24-17 loss to the lowly Steelers in a fumble-filled National Football League regular season finale.

The game had been billed as a dress rehearsal for the Packers, who meet the Los Angeles Rams in a Western Conference playoff at Milwaukee Saturday. But the Packers' performance six days from the showdown game was as dismal as the weather, which was windy, rainy and cold.

"It was a very flat game. That's all," said Coach Vince

Lombardi after his Packers fumbled the ball six times, dropped key passes and lost the ball three times on interceptions.

In addition, the Packers were penalized 68 yards. One of the penalties wiped out a Tom Brown 94-yard punt return for an apparent touchdown.

The loss to Pittsburgh, a team that has won only three games prior to Sunday, marked the second loss in a row for the Packers.

Green Bay's starting quarterback Bart Starr stayed on the bench for almost three quarters of the game. Lombardi also substituted liberally at other positions in an obvious attempt to avoid injuries.

Ken Kortas batted a Starr pass into the air on the third play from scrimmage. Ben McGee picked up the ball and rambled 21 yards for a touchdown.

And in the third period, Zeke Bratkowski fumbled and Chuck Hinton scooped up the fumble and swept 27 yards for another touchdown.

Earlier in the same period the Steelers got the ball at the Green Bay 23 after a Ben Wilson fumble and Mike Clark kicked a 27-yard field goal.

Rookie Of Year Stars As Lions Win Final Game

DETROIT (AP)—If an enterprising young man could figure out a way to bottle Lem Barney, he could make a fortune by selling the formula to defensive halfbacks in the National Football League.

Barney, named defensive Rookie of the Year by The Associated Press last week, intercepted three passes, setting up one touchdown and running another back 71 yards for the other score as the Detroit Lions wound up the season with a 14-3 victory over the Minnesota Vikings.

"You should have had four instead of three, but I'll let it go," says smiling Lions' Coach Joe Schmidt as he handed the game ball to Barney after the game Sunday.

Barney, surrounded by newsmen, grinned and said, "Bad hands."

The interceptions gave Barney 10 for the year, tying him with Dave Whitsett of New Orleans for the NFL lead.

Barney, who intercepted 26 passes in college, picked off a Joe Kapp pass in front of flanker Bob Gram at the Detroit 25, halfway through the second quarter and weaved his way 71 yards for the first Detroit touchdown. A brilliant block by Bruce Maher, cutting down two Vikings' at the Minnesota 10, helped pave the way.

The touchdown was Barney's third with a pass interception this season, tying an NFL record jointly held by Dick Lynch of the New York Giants and Herb Adderley of the Green Bay Packers.

Barney intercepted two other passes in the second quarter, one at the Detroit 40 to cut off a Viking drive, and the other at the Minnesota 13 with two minutes to play.

From there, Detroit scored in six plays with Karl Sweetan, who completed only two of 11 passes for 15 yards, hitting Tommy Watkins for a three-yard scoring strike.

Minnesota had several scoring chances, but a stout Detroit defense, led by Barney, Alex Karras and Jerry Rush, put the skids on the Viking offense when they got into Lion territory.

Placekicker Fred Cox missed

field goals of 20, 45, 31 and 24 yards before connecting on a 36-yard try in the third quarter. The score was set up by Carl Eller, who recovered a Sweetan fumble at the Detroit 14.

The Detroit offense, held to 44 yards rushing and passing in the first half, was turned over to Milt Plum in the fourth quarter. Plum mounted one drive from the Detroit 25 to the Vikings 15, but Watkins fumbled and Eller again recovered for Minnesota.

The ineptness of the Detroit attack emphasized the Lions' most crucial problem—a competent quarterback.

But Schmidt, who finished his first year with a 5-7-2 record, was noncommittal about his future plans.

The victory moved the Lions into third place in the Central Division race, just ahead of the Vikings who finished last with a 3-8-3 record.

Mel Farr, voted offensive Rookie of the Year, led the Detroit ground game with 69 yards in 21 carries. He finished up with 860 yards rushing this year, 12 short of the Detroit record of 872 set by Nick Pietrosanti in 1960.

The Lions front four, headed by Karras and Rush, tossed Minnesota quarterbacks three times for losses, totaling 34 yards.

Brimley Defeats Engadine Quint

ENGADINE—Coach Jim Brownson's Engadine Eagles turned in their best performance of the campaign here Saturday night while bowing to the unbeaten Brimley Bays, 65-49.

Displaying improvement in every phase of the game, the Eagles gave the Eastern Conference leaders a battle before they bowed to superior forces. The triumph was the seventh straight this season for Coach Dick Amble's Red Raiders.

Brimley's Mike Clark put on a one man scoring exhibition with 31 points on 13 buckets and five free throws. He was the lone Brimley player in double figures. Three Eagles reached double digits, led by John Greenwald with 15 points. Mike Schutt and Pat Bigger tallied 10 each.

Engadine won the junior varsity preliminary game, 66-62.

Box score:

BRIMLEY	FG	FT	PF	TP

Coach Raps Officials After Jets Sidelined By Oakland Grid Team

By The Associated Press

Coach Weeb Ewbank thinks the New York Jets were at a disadvantage after the opening kickoff. Maybe. But one thing is certain—they are at a disadvantage now.

"This will probably cost me money, but I've got to say it," Ewbank fumed after Sunday's 38-29 loss to the Oakland Raiders.

He then scored the officials "for letting the game get out of hand. I thought the officiating was poor. I feel we were at a disadvantage after the kickoff."

Ewbank's criticism not only most likely will cost him money in the form of a league fine, the loss very likely will cost the Jets a shot at the American Football League title.

The Jets, 7-5-1, now trail Houston, the 24-17 winner over San Diego Saturday, by one game in the Eastern Division race. Houston can win the title and the right to meet Western Division champion Oakland, 12-1-0, for the league crown by beating Miami next Saturday. The Jets play San Diego next Sunday.

In other AFL games Sunday,

Kansas City trounced Denver 38-24 and Miami outlasted Boston 41-32.

The Jets' Joe Namath, who set an AFL season record of 3,650 yards passing, threw for 356 yards and three touchdowns but took a beating in the process—suffering a possible fractured neck bone.

Namath, who was spitting blood during the game, said he didn't know when or how the injury occurred and refused to say Oakland played rough. The Raiders twice were penalized for roughing the passer.

Another AFL record fell in the Kansas City-Denver game when rookie Noland Smith returned a kickoff 106 yards for a Kansas City TD. Len Dawson passed for three touchdowns for the winning chiefs.

Manistique Downs Gwinn For Fourth Cage Victory

GWINN — The Manistique Emeralds closed out the pre-Christmas portion of their basketball season with back-to-

Eskymos Host Alpena Cagers Thursday Night

Area high schools will play an abbreviated basketball schedule this week with only four games on tap for Tuesday night.

The Escanaba Eskymos will be in action here Thursday night, hosting the downstate Alpena Wildcats.

Tuesday night the Rapid River Rockets put their Central League lead on the line in a home stand against defending champion Tremont. In other games Hermansville invades Republic, Powers-Spaulding is at Rock and Perkins travels to Carneg.

No date has been set yet for the Newberry-Gladstone game that was called off Friday night because of a flu epidemic at Newberry where the schools are closed until after the holidays.

The lone game slated in the area next week will have Holy Name hosting Gladstone Thursday, Dec. 28.

This week's area schedule:

Tuesday
Perkins at Carneg
Powers at Rock
Tremont at Rapid River
Hermansville at Republic

Thursday
Alpena at Escanaba

Russians Beat U.S. Puck Team

DULUTH, Minn. (AP) — Vyacheslav Starostin scored Russia's first two points in the third period to give the world amateur and Olympic champions a 5-3 victory over the U.S. National hockey team.

Craig Falkman tied it for the Americans 3-3 in the third on his second goal of the contest. He also opened scoring in the first period. Larry Pleau followed Falkman's initial effort in the opening stanza to give the U.S. team a 2-0 lead.

Pat Rupp made 20 saves for the U.S. Nationals, while Russian goalie Victor Konovalenko stopped 27 shots.

126—Chester Salmon (E) pinned Unrein (K), 1:52 first period.

127—Anderson (K) decisioned Mike Frasher (E).

128—Makosky (E) won by default over Johnson (K).

129—Mike Larson (E) pinned Carobine (K), 1:18 third period.

145—Duval (K) decisioned Kelly Wellman (E).

154—Vital VanDree (E) pinned Goettler (K), 1:23 second period.

165—Terry Bryak (E) decisioned Oslund (K).

166—John Bennett (E) decisioned Edens (K).

Heavy—Terry Williams (E) pinned Goettler (K), 1:42 first period.

103—Jim Larson (E) pinned Quale (K), 1:16 first period.

112—Dale Ford (E) pinned Atkinson (K), 1:56 first period.

113—Dennis Collins (E) won on forfeit.

103—Jim Larson (E) pinned Quale (K), 1:16 first period.

112—Dale Ford (E) pinned Atkinson (K), 1:56 first period.

113—Dennis Collins (E) won on forfeit.

103—Jim Larson (E) pinned Quale (K), 1:16 first period.

112—Dale Ford (E) pinned Atkinson (K), 1:56 first period.

113—Dennis Collins (E) won on forfeit.

103—Jim Larson (E) pinned Quale (K), 1:16 first period.

112—Dale Ford (E) pinned Atkinson (K), 1:56 first period.

back triumphs over the weekend.

Coach Rudie Brandstrom's cagers trimmed Gwinn, 66-54, Saturday night after fashioning an impressive 69-64 victory over Marquette in a Great Lakes Conference tilt Friday night. The setback was Marquette's first in the league this season.

Saturday night the Emeralds took command in the first quarter, hammering out a 14-8 lead, and the Model Towners were never able to catch up.

Brandstrom got steady performances from Gary Sample, Ole Sholander and Bob Cowman who handled their lanky laces on the boards, pulling down 23 offensive rebounds and 30 on defense.

The Emeralds ran their current victory string to four games, after losing their first two starts of the season. They will be idle now until Jan. 5 when they return to Great Lakes Conference warfare at Newberry.

Against Gwinn the Emeralds shot 36 per cent from the field

and 60 per cent from the free throw line. They hit on 22 of 61 shots from the floor and 22 of 36 from the stripe. Gwinn cashed in on 16 of 29 free throw opportunities.

Brandstrom emptied his bench in the late stages of the game and reserves finished out the final period in which the Emeralds outscored the Model Towners by a 17-12 margin.

Rapid River Rockets Capture Top Spot In Central League Cage Race

NAHMA — The Rapid River Rockets took over sole possession of first place in the Central League basketball race here Saturday night, handing the Big Bay de Noc Black Bears their first league setback, 66-

60.

For Coach Bob Debelak, the victory was the third straight in conference action. His Rockets lost their season opener to Powers-Spaulding of the Big Six by two points, 48-46.

Rapid River hustled to a big lead in the first half and then held off Big Bay de Noc's second half comeback.

The Rockets took a 16-9 lead in the first period and spread their cushion to 40-25 at halftime.

Coach Dave Pelletier's Bears found the range in the third quarter in which they outscored the Rockets by a 19-12 margin. They continued to whittle away at their deficit in the final frame but time ran out on them.

Bay de Noc's Rick Mercer, a

5 foot 11 inch senior, turned in an outstanding individual performance by hitting 13 field goals and four free throws for 30 points. He scored most of his buckets on baseline drives and short jumpers.

Tom Novak gave Rapid River a superb rebounding effort and Mike Sigfrids helped the Rockets dominate the boards. They were among four players who hit in double figures for Rapid River. Novak paced the quint with 18 points. Sigfrids added 17, Klint Safford 13 and Allan Pasi 12 for a well balanced attack. Dale Merin clipped in with six as the fifth Rocket starter.

In addition to Mercer, two Bears reached double digits with Bill Hartman getting 14 points and John Lewandowski 12.

The Rockets had a hot hand from the field, hitting on 26 of 61 shots for 43 percent. They added 14 of 20 from the free throw line. The Bears shot at a 34 per cent clip, hitting 25 of 72

field goals and poured in 10 of 11 from the foul line. Rapid River committed only 10 personal fouls in the game, nine of them coming in the second half.

Rapid River also won the jayvee game, 71-55, handing the Bears their first defeat of the season.

College Cage Tournaments Get Underway This Week

By The Associated Press
Third-ranked Vanderbilt, which survived a determined bid by an underdog, and sixth-ranked Boston College, which didn't lead the way into college basketball's annual round of holiday tournaments this week. The Commodores, who outlasted Duke 76-75 Saturday night, open their own invitational tournament in Nashville, Tenn., Friday with a game against Seton Hall. Oregon meets Wake Forest in the other first-round game.

The Eagles, upset in 91-90 overtime by St. John's, N.Y., meet North Carolina State Wednesday in a first-round game in the Boston Garden's invitational. Providence and La-Salle are also in the tournament.

Fourth-ranked Kentucky, which lost to North Carolina last week, hosts its tournament which opens Friday in Lexington, Ky. The Colonels play Dayton while Cincinnati meets South Carolina.

Other tournaments that get under way this week are: Tampa, Fla., Invitational which begins Wednesday, with Seattle, Rutgers, Auburn and St. Bonaventure.

Marshall tournament at Huntington, W.Va., which begins Wednesday with Manhattan, Bowling Green, Marshall, and Virginia.

Sun Carnival at El Paso, Tex., which begins Thursday, with Maryland, the University of Texas at El Paso, Southern Illinois and San Francisco.

Sun Devil Classic at Phoenix, Ariz., which begins Thursday, with Michigan, Arizona State, Oregon State and Oklahoma State.

In addition, one tournament that started over the weekend, the Virginia-VPI Invitational at Blacksburg, Va., finishes up tonight with Yale and Virginia playing for the championship.

Seventh-ranked North Carolina bumped 10th-rated Princeton from the unbeaten ranks Saturday, downing the Tigers 71-63. Sophomore Charlie Scott had 17 points for the Tarheels.

Ninth-rated Indiana beat North Carolina State 101-97 with sophomore Joe Cooke's 27 points leading the way. Calvin Murphy, Niagara's star sophomore, pumped in 52 points, leading his team to a 100-83 victory over La-Salle.

FOREST LEE WARD of Brooklyn is fighting his own personal war on poverty. As the top amateur heavyweight boxer in the country this year, he won the National Golden Gloves title in March, the AAU championship in April and the Pan American Games title in August. He turned pro shortly after the Pan Am games. Ward is 6 feet 2 inches tall and weighs 200 pounds.

Cougars Land Soccer Player

DETROIT (AP)—The Detroit Cougars, the motor city's entry in the United Soccer Association, has signed on outside right Johnny Kerr, the second Canadian-based player to sign with Detroit.

The Scottish-born player starred on the Canadian National League All-Star team which recently lost a close decision to Israel's All-Stars in a game played in Toronto.

Kerr, is considered fast and strong despite his size. He's just short of 5 1/2 feet tall and weighs only 145 pounds.

Muskegon Takes Top Loop Spot

COLUMBUS, Ohio (AP)—The Muskegon Mohawks captured first place in the International Hockey League by whipping Columbus 3-1 Sunday night.

Winger Bob Smith paced Muskegon over the Checkers, firing in two goals and assisting on the third.

In the only other IHL game Sunday, Dayton scored four times in the second period and defeated the Fort Wayne Komets 6-4 at Dayton.

Hawks Grab Tie For Top

By The Associated Press
It was the Night of the Hat in the National Hockey League but Pit Martin deserves at least a cap.

It was Martin's goal with 6:12 minutes left to play that broke a scoreless tie and started the Chicago Black Hawks to a 2-0 victory over the Toronto Maple Leafs Sunday night.

That moved the Hawks, who dropped their first six games this season, into a tie with Boston for the NHL's East Division lead. Chicago has lost just three of the last 25 games since snapping the losing streak.

Elsewhere Sunday, Rod Gilbert's three-goal hat trick led New York to a 5-3 victory over St. Louis. Detroit's Norm Ullman and Montreal's Jean Beliveau traded three-goal performances as the Red Wings outlasted the Canadiens 4-3, and Philadelphia shaded Pittsburgh 2-1.

Martin, acquired in the six-player trade that sent Phil Esposito and Fred Stanfield to Boston, has been hampered by injuries and managed only four goals before Sunday.

But the 3-foot-8, 156-pound center was in the right spot when Eric Nesterenko dug the puck out from behind the Toronto net and fired in front. Martin rammed the puck between goalie Johnny Bower and the left post.

Until then, it seemed Bower and Chicago's Denis DeJordy were headed for a scoreless tie. After Martin scored, Doug Mohns hit an open net with Bower off for an extra attacker.

Gilbert, the Rangers' leading scorer with 28 goals last year, snapped an eight-game slump with his third career hat trick. Two of the goals came in the first period as the Rangers raced to a 3-0 lead.

Ullman's 11th career hat trick balanced Beliveau's 13th three-goal performance and the Red Wings fired three quick last period goals snapping a 4-1 tie.

Alex Delvecchio and Gary Jarrett put the Wings on top in the third period and after Gump Worsley was replaced in the Montreal nets by Rogatien Vachon, Gary Marsh's first NHL goal gave the Wings a 7-4 edge.

Philadelphia grabbed a four-point lead in the NHL's expansion West division by edged Pittsburgh.

Leon Rochefort scored the game winner when he poked his own rebound past Penguin goalie Les Binkley. Paul Andrea had hit for Pittsburgh and Britt Selby for the Flyers earlier.

Pistons Suffer Surprise Upset To Rocket Five

SAN DIEGO, Calif. (AP)—When rookie star Dave Bing has a mediocre shooting night, the Detroit Pistons suffer.

Bing, the National Basketball Association's leading scorer, got only three of his 19 points in the crucial second half, and the San Diego Rockets surprised the Pistons with a 117-115 victory Sunday night.

In other NBA contests, St. Louis beat San Francisco 97-79 in Miami Beach, Fla.; Philadelphia whipped Seattle 139-124, and Boston edged Los Angeles 123-117.

In the American Basketball Association, Pittsburgh beat Minnesota 121-116 in overtime and New Orleans turned back Oakland 121-110.

The Rockets were trailing Detroit 95-86 as the fourth quarter opened. But they outscored the

Pistons 14-2 early in the period. With 2:18 to play, John Treadwell moved the Pistons into the lead 113-112, but John McGlocklin put San Diego in front 116-115 with a drive shot. Then Johnny Green clicked on a free throw.

San Diego forward John Block led all scorers with 34 points. McGlocklin had 18.

Eddie Miles topped the Pistons with 33 points.

The Hawks made less than 40 per cent of their field goal attempts. The Warriors made just 26 per cent of theirs.

San Francisco was particularly inept in the second half. Leading 49-45 at intermission, the Warriors were able to make only 10 of 55 shots from the floor and scored 30 points in the second half. Their total was one of the lowest in NBA history.

Wilt Chamberlain, who scored 68 points in Philadelphia's 143-123 over Chicago Saturday night, led the 76ers' attack against Seattle with 47.

Player-coach Bill Russell, who usually concentrates on defense, poured in 37 points, which tied his pro career high, grabbed 19 rebounds and blocked numerous shots as Boston came from behind in the final quarter against Los Angeles.

The victory kept the Celtics in first place in the Eastern Division by percentage points over Philadelphia, although they trail the 76ers by one-half game.

Wolfpack Had Tough Defense

MEMPHIS, Tenn. (AP)—North Carolina State's defenders can probably paint their shoes in rainbow hues next year if they choose.

Coach Earle Edwards shouldn't object, because his defensive team wore white shoes as a gimmick this fall and helped record the Wolfpack's best football season since 1957.

Despite the absence of All-America tackle Dennis Byrd, the State defense stopped Georgia inside the Wolfpack 10 twice in the last four minutes Saturday to preserve a 14-7 Liberty Bowl triumph. That left State with a 9-2 mark.

Sophomore Ron Carpenter, a 257-pounder who has been a standout in three spots for the Wolfpack this fall, filled in when Byrd was sidelined.

"They didn't even miss Byrd," said Georgia Coach Vince Dooley, who had never lost in two previous bowl trips. He added, "I don't like losing."

Dooley, who had ranked the Wolfpack's defense as the best his team faced this year, said that "we had our chances—and we just couldn't do it."

Big Ten Cage Quints Successful

CHICAGO (AP)—Showing first minute of overtime to seal the decision.

Ohio State, the only undefeated Big Ten team, was idle but Wisconsin, Northwestern, Michigan State, Purdue and Minnesota all posted victories while Iowa suffered its first loss and Illinois dropped a 65-57 decision to Army in the Volunteer Classic.

Iowa, usually tough at home, was victimized by a late Drake rally and fell 74-65.

But on all other fronts, Big Ten teams came through magnificently.

Wisconsin captured the Milwaukee Classic with a 70-63 triumph over arch rival Marquette; Michigan State downed Hardin Simmons 95-78; Purdue crushed Tulane 107-82; Northwestern upended Valparaiso 81-

64, and Minnesota throlled North Dakota 82-53.

Four conference teams will be in action Monday night with Texas Western at Iowa, New Mexico State at Purdue, Minnesota at Houston and Northwestern at Missouri.

Ohio State takes on New Mexico State Tuesday night and Indiana faces tough Notre Dame at Fort Wayne.

Five more games are on tap Wednesday with Nebraska at Michigan State, Florida at Wisconsin, Minnesota at Creighton, Northwestern at Colorado and Purdue at Butler.

After that the tournaments begin with conference teams scattering to both coasts and going as far as Hawaii where Ohio State and Northwestern will be spending the holidays.

State To Restore Part Of Highway Building Program

By JIM NICHOLS

LANSING (AP) — The State Highway Dept., which earlier this year slashed \$265 million in road-building projects from its schedule for the next five years, is busy now deciding how many of them to restore.

Restoration of some of the scheduled work is possible, the department says, because of gasoline and weight tax increases approved by the Legislature last month—increases which will bring the state an added \$25 million or so a year.

But meanwhile, the department says, many highway construction and improvement plans will still have to be put off for lack of funds, and the state's share of the interstate highway system will remain behind schedule.

Decision In January

Department spokesmen blame soaring construction costs, which they say have risen about 40 percent in the last three years.

They say it will be decided sometime in January which of the deleted projects to restore to the 1967-72 construction program, which originally totaled \$594 million.

The road building business is getting more expensive, the department says, because of increasing costs of labor, materials and highway rights of way, and because the federal government is requiring more safety features on the roads it helps to pay for. "Now this is good," said one

department spokesman. "We're all for safety. But safety costs money like anything else."

He said the U.S. government originally wanted the nation's entire interstate highway system completed by 1972—a goal which has since gone out the window.

Michigan's interstate highways are 75 percent open to traffic, he said, adding Michigan has more miles open than any state but Texas and a higher completion percentage than any state but Connecticut.

Tax Will Help

But finishing the other 25 percent will take longer and be costlier, he said.

In 1964, the Highway Department estimated the total cost of Michigan's interstate highway network at \$1,557 billion. The current estimate is about half a billion dollars higher, or \$1,977 billion.

The recently approved increases in the gasoline tax and in license plate fees will help ease the financial squeeze somewhat, but won't make it entirely vanish, the department spokesman said.

"We're very happy with it, of course," he said, "but it isn't going to perform any miracles."

Union To Ratify New GM Pact

DETROIT (AP)—A new three-year contract, tentatively agreed upon by General Motors Corp. and the United Auto Workers Union, today was on the road toward expected ratification.

The UAW's International Executive Board planned to ask the union's GM Council, representing the 380,000 GM workers in the UAW, to approve the pact.

The council, in turn, was expected to recommend that the workers ratify it.

Union officials said the board, meeting Sunday night in Detroit to review the contract, made the decision to seek approval. The result was a foregone conclusion.

Walter P. Reuther, UAW president, has predicted that the contract, to raise workers' wages and fringe benefits by \$1 an hour over three years, will be accepted enthusiastically.

The contract closely follows the pattern established by UAW settlements won earlier at Ford, with a two-month strike, and at Chrysler, where local work stoppages halted auto production for two weeks.

February Draft Calls 23,000 Men For Army Duty

WASHINGTON (AP)—A total of 23,000 men will be drafted in February, with all of the draftees going into the Army.

The Pentagon's February call compares with 34,000 for January. This month's 18,200 was the usual seasonal low.

In Congress, a bill introduced Friday, final day of the session would require that students in junior colleges receive the same draft deferments as those in four-year institutions.

Rep. Wright Patman, D-Tex., filed the bill, saying Selective Service regulations are being interpreted in a way that adversely affects such students. He said this amounts to "second-class citizenship" for them.

The Patman bill will be considered in the session convening Jan. 15.

Russia became a great power during the reign of Peter the Great, first and greatest of the Russian emperors.
